

# Residential Building Builder Information Package

Prepared By:  
City Of Van Alstyne  
Planning and Development Department

## Summary

The Residential Inspection Requirements informational was prepared to assist builders and field supervisors. Builders are encouraged to share the content of this informational with their staff, architects, engineers, subcontractors, coordinators, and material suppliers. Periodically, the City of Van Alstyne will update this informational to reflect changes, codes, ordinances, and any other information pertinent to construction. All builders who build residential structures within Van Alstyne are encouraged to ensure they have the most recent publication.

## **PROCEDURE FOR CREATING BUILDING SITE/LOT**

No permit for the construction of a Building or Buildings upon any tract or plot shall be issued until a Building site, Building tract, or Building Lot has been created by compliance with one of the following conditions:

- (a) The Lot to tract is part of a plat of record and filed in the plat records of the county or counties in which the Lot or tract is located.
- (b) The site plot or tract is all or part of a site plan officially approved by the City Council in a Planned Development District after recommendation by the planning and zoning commission.
- (c) The plot or tract is a Lot of Record prior to the effective date of the Part of the Code or prior to annexation to the city, whichever is applicable, and the Building Official certifies that the plot or tract does not comply with setback and/or Lot size requirements but that the plot or track conforms with the provisions of this Part of the Code, as amended, relative to width of Street(s) on which the Lot is located, Street offsets, easement requirements, drainage and other considerations the Building Official believes to be relevant to the particular plot or tract. If the Building Official cannot make such certification, he shall refer the case to the Planning and Zoning Commission for consideration and resolution. The Building Official and Planning and Zoning Commission shall exercise discretion in making decisions in such cases but shall take care to respect the language and spirit of this Part of the Code, as amended.
- (d) The plot or tract is all or part of a site plan officially approved by the City Council and compliance have been made with provisions and improvements approved on such site plan for all utility and drainage easements, dedication of Streets, Alleys and other public improvements required to meet the standards established for the platting of land. Any and all plots, tracts, or Lots must be provided access via a public Street or drive.
